ADMISSION TO THE UNIVERSITY

NEW APPLICANTS

New applicants for admission to Memphis State University must clear the following requirements with the Registrar's Office (Room 204, Administration Building) no later than August 12, 1961:

1. Complete the application form provided by the Registrar's Office.
2. Submit a satisfactory transcript of credits.
 - a. Beginning freshmen must request the high school principal to mail transcript of credits to the Registrar's Office.
 - b. Transfer students must request the registrar of *each* college attended to mail a transcript of credits to the Registrar's Office.

NOTE: Transcripts will not be accepted from the student; they must be mailed by the officials indicated above.

3. Pass the Memphis State University entrance examination, or its equivalent. Information concerning the dates on which the examination will be given is available from the Registrar's Office.
4. Submit the required Health Service Record Card.

FORMER STUDENTS

A former student is defined as (1) one who has not registered at Memphis State University during the spring semester or summer session, 1961, and/or (2) one who attended another college since he last attended Memphis State. Such a student, in order to qualify for re-admission, must clear the following requirements with the Registrar's Office (Room 204, Administration Building) no later than August 12, 1961:

1. Complete the application form for re-admission provided by the Registrar's Office.
2. Request the registrar of each college attended, if any, to mail a transcript of credits to the Registrar's Office.

After the new applicant or the former student has completed the procedures outlined above, he will be notified of his status by the Registrar's Office; if he is accepted, he will be issued a card of admission. **THIS CARD MUST BE PRESENTED AT THE REGISTRAR'S OFFICE AT THE TIME REGISTRATION PACKETS ARE RETURNED.** (See Step 1, Registration Procedure, p. 3 of this bulletin.)

CURRENT STUDENTS

Students enrolled at Memphis State University during the spring semester and/or the summer session, 1961, who intend to return for the fall semester, 1961, should notify the Registrar's Office of their intention to return in order that registration materials can be prepared for them. Unless such notification is made, the student's registration may be delayed.

PLEASE NOTE: Any student—new, former, or current—who fails to complete all of these requirements within the time specified will face indefinite delays at the time of registration.

REGISTRATION PROCEDURE

STEP 1: Get registration packet from the Registrar's Office, Room 204, Administration Building.

- a. For all students (EXCEPT BEGINNING FRESHMEN) who have complied with all admission procedures outlined on p. 2 of this bulletin by SATURDAY, AUGUST 12, packets will be available at anytime between TUESDAY, SEPTEMBER 5, at 8:00 A.M. and FRIDAY, SEPTEMBER 8, at 4:00 P.M.
- b. For students who have not complied with all of these procedures by Saturday, August 12, packets will not be available until THURSDAY and FRIDAY, SEPTEMBER 14 and 15, and will be issued according to the alphabetical groups listed on p. 1 of this bulletin.
- c. Beginning freshmen will be informed during orientation sessions of the procedure for obtaining their packets.

STEP 2: At your leisure, fill in (USING PENCIL PLEASE) all the information called for on these forms, EXCEPT FOR CLASS SCHEDULES.

- a. Class schedules must not be entered on any of these cards until after the proper class cards have been obtained (Step 4).
- b. All other information must be furnished in full; failure to complete all of the forms fully will only delay your registration.
- c. Be very careful not to bend or in any way mutilate the IBM cards in this packet. If any of the cards are damaged, or if the packet is lost, you will face a long delay at registration time.

STEP 3: At the time indicated on the front page of this bulletin, report to your adviser's office with your registration packet filled in as described above. DO NOT REPORT BEFORE THE TIME INDICATED. Your adviser will help you prepare on a Schedule Envelope a tentative schedule of classes. Make certain that all of the information asked for on the Schedule Envelope is provided; any omission will delay your registration.

STEP 4: Leave your registration packet with your adviser, take the Schedule Envelope to the Card Center (located in the Student Center), and apply to each department listed on your schedule for the appropriate card.

IMPORTANT NOTE: You must be prepared to make minor changes in your schedule while in the Card Center; certain sections will fill and will have to be closed during the registration period. It is inevitable that some students will have to make adjustments in time and sections; if your original schedule is flexible, such changes can be easily effected. HOWEVER, if your schedule must be changed to include a *course* not originally recommended on the Schedule Envelope, you must return to your adviser for his approval to add the course.

STEP 5: After you have obtained all of your class cards, return to your adviser's office. Copy your final class schedule on the cards in your packet, and have the cards signed by your adviser.

STEP 6: (FOR WOMEN STUDENTS ONLY): All women students must go to the office of the Dean of Women for residence approval.

- STEP 7:** Take the registration packet, along with the Schedule Envelope and all of your class cards, to the director of the school in which you are enrolled. During the registration period the directors are located as follows:
- ARTS AND SCIENCES:** Auditorium, Administration Building
- BUSINESS** : Room 310, Administration Building
- EDUCATION** : Room 103, Administration Building
- GENERAL COLLEGE** : Dean Robison's office, Room 3-B, Administration Bldg
- STEP 8: (FOR VETERANS ONLY):** After the director has approved your schedule report to Mr. Leo Davis, Office of Veterans' Affairs, located in the Student Center.
- STEP 9:** After the director has approved your schedule, take your registration packet to the Bursar's Office, Room 208, Administration Building, and settle your account. **NO REGISTRATION IS COMPLETE UNTIL ALL FEES HAVE BEEN PAID.**
- STEP 10: (For Full-Time Students)** If you are registered for 11 semester hours or more, go to Room 214, Administration Building, and have your picture made for your Identification Card. Each full-time student is required to have an Identification Card; if your picture is not made on the same day your fees are paid, the card will cost you \$1.00.
- STEP 11: (FOR STUDENTS WITH AUTOMOBILES)** If you plan to drive an automobile on the campus, you must register it in the office of the Dean of Men (Room 208, Administration Building), and obtain a university license. Fines will be assessed against any unlicensed automobile parked on the campus. The license fee is \$2.

CHANGE OF COURSE PROCEDURE

After a student's registration is completed, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. Application for permission to add or drop courses is made in the office of the director of the school in which the student is enrolled.

No course may be added after **FRIDAY, SEPTEMBER 22.**
 No course may be dropped after **FRIDAY, OCTOBER 20.**

IMPORTANT NOTE: It is sometimes necessary for a student to request a change from one section of a course to another section of the same course. Such changes will be allowed only in extreme emergencies. The procedure involves dropping one section and adding another. It must be done within the time limits noted above, and **MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.**

WITHDRAWAL FROM THE UNIVERSITY

A student may withdraw from the university by advising **DEAN R. M. ROBISON** personally or in writing. Failure to notify the dean of withdrawal will result in a grade of "F" for each course in which the student is registered.

Students who withdraw before **FRIDAY, OCTOBER 20** will have their records marked "Withdrawn."

Students who withdraw after **FRIDAY, OCTOBER 20** will have each of their courses recorded as "WP" (withdrawn passing) or "WF" (withdrawn failing) depending upon their performance in each course at the time of withdrawal.

No withdrawal is permitted within one week of the beginning of the final examination period, or after **SATURDAY, JANUARY 13, 1962.**

ADVISERS

At the time of registration each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not necessarily permanent or binding; the student may change his major area at any time during his college career with a minimum of administrative procedure.

- a. **CURRENT and FORMER STUDENTS** will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.
- b. **TRANSFER STUDENTS** will apply to the office of the chairman of the department in which they plan to major for assignment to an adviser.
- c. **BEGINNING FRESHMEN** will receive instructions about advisers during the orientation sessions.

PRE-PROFESSIONAL STUDENTS: In certain areas the university has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees in the rooms indicated:

PRE-MEDICINE ADVISORY COMMITTEE (Dr. Elmore Holmes, chairman):
Room 120, Manning Hall

(This committee will advise students interested in careers in medicine, dentistry, pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.

PRE-LAW ADVISORY COMMITTEE (Dr. Erwin C. Buell, chairman):
Room 223, Johnson Hall.

PRE-ENGINEERING ADVISORY COMMITTEE (Dr. Don C. Claypool, chairman): Room 303, Administration Building.

SPECIAL ANNOUNCEMENT

Every student who registers at Memphis State University for the first time on or after September 1, 1961, either as a beginning freshman or as a transfer student, will be required, during or after the second semester of his junior year (i.e., after he has completed successfully 70 semester hours), to pass a proficiency examination in written English in order to qualify for graduation. Detailed information about the examination will be published in the 1962-63 catalog.

Students transferring to Memphis State University in the fall of 1961 with acceptable credits amounting to 70 semester hours, or more, are eligible to take the examination immediately. Such students should report to Dr. H. B. EVANS, chairman of the Department of English (Room 222, Administration Building) shortly after the beginning of the semester for further information.
